501(c)3 organization

SPRING 2021

The GCWGA Scholarship Foundation was founded in 2007. The purpose and mission of the GCWGA Scholarship Foundation is to grant one-time scholarship(s) to female high school seniors who meet a certain range of qualifications. Candidates are selected on the basis of academic achievement, excellence of character, and involvement in the sport of golf. After all, these young women are our future! In 2008, the first two \$1,000 scholarships were granted. Since 2008, \$142,400 in scholarships has been awarded. The Scholarship Foundation is funded through generous private donations from our members or through their scheduled Foundation Days at their respective clubs. Additional funding comes from the GCWGA and the SHE (Scholarship for Higher Education) tournament held each year in September. If you know a girl who loves the sport of golf and meets the requirements, encourage her to apply for the scholarship. Annual deadline is March 1st. Information and applications on the scholarship can be found on www.gcwga.org.

THANK YOU!

Comments from previous scholarship recipients

"I had an amazing first semester at Yale on campus although all classes were held through Zoom. I met so many friends from different backgrounds and with new insights to share. In seminars and during meals, I learned so much from my peers and professors. I truly enjoyed the academic and social environment despite all the restrictions due to COVID. The support I received from GCWGA was very encouraging and helpful in continuing this semester and I'd like to thank everyone in the GCWGA community."- **Victory Lee, Yale University**

"I'm majoring in Fashion and Textile Management. Because of the funds provided by the GCWGA scholarship, I am able to attend a university out of state that is a better fit for me. When I was home in the fall, I was able to play golf for enjoyment whenever I wanted which helped me to continue to feed my love for the game. I would like to reiterate my gratitude for this scholarship and how it has enabled me to pursue an education that I'm passionate about while still being able to enjoy playing golf" - **Audrey Simons, N. Carolina State Univ**
