

5. The winning team of this event (2- best ball net) will receive the SHE Championship traveling trophy which will be displayed at their club during the coming year. Second and Third place teams will also be recognized.
6. Each of the participants in the SHE Championship on September 12th will pay \$80.00. This fee covers greens fee, cart, cookout and a \$5.00 contribution to the Scholarship Fund.

Each club is free to do their own thing to encourage participation for this league day event. This will be up to you; i.e., some clubs may choose to pay the individual entry fee (or part of it) from league monies since you would probably not have other individual prizes that day. Total for the foursome is \$320.00

Since we want all clubs to participate in the SHE Championship in September, we encourage you to really promote your Event and have low net qualifying event and have it during a week where you will have full participation from your members.

Please keep records of all participants. If any of the low four cannot play on the 12th, you would take the next lowest qualifier, etc.

**Registration and the entry money must be received by August 15, 2022 and sent to:**

**Robin Kofler  
24 Muirfield Lane  
Blue Ash, Ohio 45241  
Robin.kofler@yahoo.com**

We are grateful to Blue Ash Golf Course for hosting the tournament this year. We are confident that everyone who plays will have a fun-filled day.

**Thanks for your help in getting full participation from your league membership.** This is a great event that gives players a chance to enjoy competing as a team while playing for a very worthwhile cause – our young women who will one day take our places in this great organization. Please help us succeed both now and in the future.

We are looking for raffle items from vacation rentals to smaller items. If you have something or know of someone who might donate such items please let Robin or Cindy know.

Sincerely,

Robin Kofler & Cindy Crilley  
Tournament Co-Chairs
